

Hi, I'm Rich Barbacane with the National Association of Elementary School Principals working with the IDEA Partnership. The Partnership is a group of national organizations that has come together to bring pertinent and valuable information to those of you in the field where it will make the most difference on behalf of children. Throughout our website you will find a feature we call *Your Voice*. This is a place where we'd like to hear your ideas and comments about the tools we have developed and the other resources we are bringing to you for your use in your schools. Use *Your Voice* anytime you feel there is something you'd like to tell us about the work we've done. We'd also like to hear about topics that may be of interest to you that we can develop further tools on. It's very simple. Click on *Your Voice*, type your comments, and send them to us. We look forward to hearing from you real soon. Thank you.
